

July 16, 2018

Dear students and families,

Welcome to the 2018-19 school year at Inman Jr./Sr. High School! The beginning of school is always an exciting time filled with hope and anticipation for things to come. My hope is to see each and every student develop the skills necessary for success both now and in the future, and I am proud to say our staff is committed to this as well. Small class sizes, a safe and caring environment, and lots of extra-curricular activities are just a few of the many things making Inman Jr./Sr. High School a great place to be!

Please join me in welcoming Ms. Staci Horton to our building! Ms. Horton will be our new vocal music director and we are very fortunate to have her on board.

I am very excited to share that all 7th-12th grade students will be given their own Chromebooks this year. These are great devices for enhancing learning in the classroom and I know teachers are excited as well.

Finally, please mark the following dates on your calendar:

- Thursday, August 2 (one day only this year), On-site enrollment – 11: 00 a.m. – 7:00 p.m., IHS Library. We encourage you to take advantage of online enrollment which is currently available.
- Tuesday, August 14 – Back to School Parent Night (more information will be sent soon)
- Thursday, August 16 – First day of school (First hour begins at 8:15 a.m.)

The school office officially re-opens on Monday, July 30. Please don't hesitate to call or stop by should you need anything.

Looking forward to a great year,

Tyler Weinbrenner, Principal
